Dear sir or madam,

I had some trouble with the email last night, so I'm resending it as PDFs in Spanish & English (apologies for the poor Spanish).

Thank you for your kind attention.

Let me know if you need anything further from me.

Una cosa más importante..

Creo que probablemente se comunicará con ustedes una ex alumna de Domingo, Mercedes Correas Lara, quien jugó un papel decisivo en el acoso y la intimidación, el año pasado, ahora, e incluso en 2014.

En 2014, después de que reemplacé a Domingo como maestra, ella llamó a mi jefe y perdí el trabajo después de que ella le mintió sobre mí.

El año pasado perdí dos trabajos bien remunerados de la misma manera y sospecho que ella está detrás de esto. Ella también ha hecho lo mismo con amigas mías en Denia.

Su comportamiento puede ser extremadamente venenoso y recomendaría extremar la precaución al creer cualquier cosa que ella pueda decir sobre esta situación.

Gracias de nuevo.

En inglés:

One more important thing..

I believe you will probably be contacted by a former student of Domingo's, Mercedes Correas Lara, who was instrumental in the harassment and bullying, last year, now, and even back in 2014.

In 2014, after I replaced Domingo as a teacher, she phoned my boss and I lost work after she lied to him about me.

I lost two high paying jobs last year in the same manner and I suspect she is behind it. She has done similar to friends of mine in Denia too.

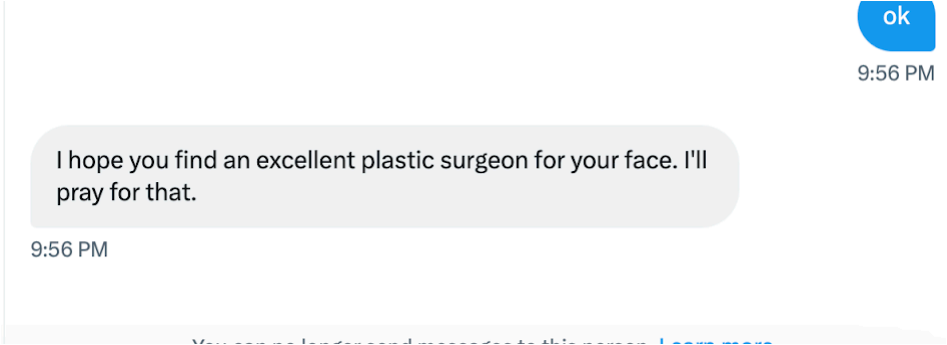

Her behaviour can be extremely poisonous and I would advise extreme caution in believing anything she might say about this situation.

Thanks again.

I just received a threat of violence on twitter from an account that knows a lot of what I've just told you.
Maybe I need to go to the police now. Can you help me with that?
