Hi,

I'm just wondering if you would consider remote workers from within the UK (British citizens) but not based in NE?

All the best,

Dr Murphy

Hello,

Unfortunately, we require our employees to be on-site, so would need to be based in the North East.

Kind regards,

Amelia – NN Recruitment Team

Neptune North Careers

Thank you. I thought so. A recruiter from Client Server told me otherwise, and I didn't believe him.

Katharine
