Wow so this was the email you were gonna use to converse with me like 1 person.

So happy 1 of you is human.

Will be delighted when the rest of yours karma ripens

As will, I expect, the entire world

So they set you up as the fall guy if anything went wrong.

And drugged me sufficiently to make me
confuse you with another local guy someone
everyone knows.

And you couldn't say no because it would
mean jail for the other crimes, the sex crime
corruption is so bad now in Spain the whole
country is a pedo porn studio

But something intimate did happen between
us to lock me into the lie

And you cried about it

And I did love you

But not him, not the child trafficker who
everyone knows, the one with the pension,
and my whole body knew so the whole thing
was a total disaster for him

They started grassing you up to put me off
you

But the plan was still ongoing, spycam porn
etc , hypnotech... we could save the world
with that youdo know that don't you

And now here I am my life in danger
everywhere thepedo ssx porn distribution
gangs have reach and you, carrying on as
normal no doubt

Happy family life right although still
threatened with jail I'm guessing

I'll continue to pray for a good outcome one
that goes towards God not away from Him...
I never knew such evil... whole of Spain
needs turned upside down and you know it

Hi,

How are you?

I don't know you at all ... who
was he, the one I loved .. on
film probably?? It wasn't you.
You were the twin, weren't you.

Did you know they were
drugging and poisoning me
continuously, and intended to
murder me eventually? Nothing
much went according to plan for
them, did it.

Did you do it because they told you there'd be no way I would survive the attack? Or just for the pension? Or for some other reason maybe?

Anyway. I'm still remembering but it gets clearer everyday I'm not being poisoned (not long) or drugged (only about 3 months) which makes 3 years of confusion for me. I have a great deal of samples and a preponderance of evidence. Something of a hornets nest isn't it.

Nevertheless, objectively, it's a fantastic story and I do hope everyone enjoys it.

With the very best as usual
