Not particularly, I have no reason to believe they aren't solid, spoke to him today on camera we have had 3 successful interviews across the other roles, I'm confident if you spoke to him he would alleviate your concerns, it's a Uk registered entity I will

chase him again for the registration number, as you can imagine coming back he has been stacked today. They are announcing some partnerships next week too!

As I said they've been in stealth mode, this isn't uncommon. I understand your concern, can only suggest me trying to set up a call with David himself?
