Hi,

I believe I'm about to be falsely accused of defamation by the conservatory of Denia and, if so, I'm going to need a lawyer.

Can anyone help please?

Thank you.

Hi Roberto,

Thank you for your reply.

I have been suffering gender bullying at the conservatory of Denia for some time now. I have been very stubborn and continued going to class but it got so bad recently I have been in fear of my life.

I explained this to them as the reason I will not be returning to class - a great sadness for me.

They told me they had been to the police this morning to explain my situation. I believe that means they have made a false report against me, I suspect for defamation.

I asked for clarification from my teacher who told me this before lunch today, but she did not reply.

I am expecting to receive notification or be arrested at any moment. It is very stressful.

If you would be able to advise I would be most grateful.

With the very best,

Dra Katharine Murphy
