Remember?

Enough is enough.

I think they stole eggs and semen and we either have a child now, or one is on the way.. and it's a girl.

And they tried to make it look like the Jews did it, I guess if I ever got suspicious.

I'm so sorry.

I don't think they had any intention of letting me live.

Did you know about this? Like, are you involved with this? Or are they controlling you?

Sorry.

Katharine

Good Morning Katherine,

I did not know about this, I am not involved, and no one is controlling me. I also lack information confirming that anyone stole eggs or semen or is trying to harm you. I hope you are in a safe place right now.

best,

Steve
